Children's
MUSEUM
» ON THE GO

LET US BRING THE CHILDREN'S
MUSEUM TO YOU!!

The Children's Museum of the Magic Valley (CMMV) is an emerging children's museum in Twin Falls, Idaho. It was incorporated in November 2018 and is overseen by a volunteer board of directors. Its mission is to engage children of all ages and abilities in learning through imaginative play and discovery. The vision is to become a gathering place that builds wonder and curiosity. The CMMV board is currently working with the Twin Falls Urban Renewal Agency, CSHQA Architects, FRAME Integrative Design Strategies, and key community members to make the museum a reality.

CMMV is already a resource for the education community and families. Since launching its outreach program in Fall 2019, CMMV has served over 7,000 children and caregivers, inspiring lifelong, whole-family learning every step of the way.

A Family STEAM Night is exploration-focused:

- Includes 8 hands-on exhibits
- 90 minute program
- Requires 8 volunteers (provided by the host) to help set up, facilitate & take down exhibits. **\$600**

Always included:

Imagination Playground- 105 Imagination Playground blocks bring the engineering benefits of block play on a larger-than-life scale. Includes bricks, cylinders, chutes, channels and more. (Requires 250 sq ft of space)

What Can You Rigamajig?- Powered by your brain, this collection of wooden planks, wheels, pulleys, nuts, bolts and rope gives you the tools to build whatever you can dream up!

Art Supersized- 8 child-sized plexiglass easels offer a new perspective on painting. Also, color a 4x5 foot beautifully detailed poster to keep at your school.

Marvelous Magnets- Explore magnetism through hands-on investigations, over 700 Magnatiles, & *(coming soon)* a mobile magnetic wall!

Choose one option from each of the following categories:

Coding

- a. Build hands-on, screen-free coding skills with *Code & Go Mouse Bots & Ozobots* and debug plastic bugs from a "code."
- b. Build hands-on, screen-free coding skills with *Botley 2.0* and *KIBO*, and experience full body coding with *Let's Go Code!*

Engineering

- a. Let *Legos* spark your imaginations on our amazing *Lego Tables* (coming soon).
- b. What can you engineer with *KEVA Planks*, *branch blocks*, *balls/straws*, & *EMIDO Building Blocks*?
- c. Think outside the blocks with *K'nex*! Build BIG & make it move.

Art & Music

- a. Discover how music sounds from different instruments: *rainstick*, *boomwhackers*, *bells*, *drums & water vases*.
- b. Craft tales of adventure and mystery with our beautifully hand painted *story stones* or work with your family to make your own set of story stones.

Mathematics

- a. What does it mean to **BALANCE** an equation? Includes a seesaw-style human balance beam & more.
- b. Explore both giant & small pattern blocks, *really* big dice games, & geoboards made from tree trunks!
- c. Hands-on role playing with our *Farm to Table* exhibit that explores principles of growing food & earning & spending money.

CMMV >> ON THE GO

Single exhibit packages are available for small groups (about 10 kids at one time) to rotate through at your location. Exhibit is available for a 2-3 hour block. We recommend 20-30 minute rotations for each small group. CMMV will provide a museum representative to set up, monitor and remove the exhibit. The hosting program must provide hand sanitizer, staff to adequately supervise the children and an appropriate space for the requested package.

What Can You Rigamajig?

Powered by your brain, our collection of wooden planks, wheels, pulleys, nuts, bolts & rope gives you tools to build whatever you dream up! **\$250**

Dare to Engineer! (Accommodates 25)

105 giant Imagination Playground blocks bring the engineering benefits of block play on a larger-than-life scale. Includes bricks, cylinders, chutes, channels and more. (Requires 250 sqft of space.) **\$250**

What Can You LEGO?

Let LEGOS spark your imagination on our amazing LEGO tables. (Coming soon) **\$225**

Think, Make, Create Lab

Choose up to 2 projects for participants to choose from, allowing them to complete one. *Many project options available, we'll help you choose! \$100 + project price/# of children*

Arts- Use these activities to bring out the creative side of youth participants! Personalization & unique characters are encouraged.

Design- These activities are great for problem solving, critical thinking, and inquiry-based learning. Teamwork and design challenges encouraged!

Electronics- Use circuitry to build STEAM skills! Challenges and failures are fully accepted to ensure perseverance and grit are cultivated!

Engineering- Dream, create, and solve a problem! These activities will show youth participants they can engineer!

Marvelous Magnets

Explore magnetism through hands-on investigations, over 700 Magnatiles and a new mobile magnetic wall. (Coming soon) **\$225**

Farm to Table

Hands-on role playing farmer's market that helps kids understand principles of growing food & earning and spending money. **\$225**

Art Supersized

Step into a Painting: 8 child-sized plexiglass easels offer a new perspective on painting. **\$225**

What is included?

We provide

- CMMV coordinator to train your volunteers and oversee set up
- STEAM-themed, hands-on activities
- All supplies
- Instruction signage for each activity
- STEM at Home booklets to distribute to each family (Preschool & Elementary versions, Spanish or English)

STEAM Family Night events can be scheduled for Monday-Thursday from 5:30–7:00 p.m.

We are a not-for-profit organization run by a volunteer board of directors. The fee covers the event's materials, coordinator & transportation, and any remainder supports children's museum programming.

What is required?

The host provides

- Distributing flyers to advertise (we provide a PDF)
- A large gymnasium, hallways, or outdoor area
- 16 6-8-foot tables
- Access to water
- 8 volunteers (15 yrs. or older) between 5-7:45 pm. (If the organization is unable to provide the required amount of volunteers, the program content may have to be reduced.)
- Consent to allow CMMV to take photos and/or video of the event for use in marketing materials and on CMMV social media pages/website (Individual families will have the opportunity to opt-out when they arrive.)
- Completion of an online survey following the event.

**To register, or for more information, please submit a request at
<https://cmmv.org/request-an-event/>
or call (208) 536-3455.**

Supplemental Materials

- digital fliers
- suggested table set up specific to your event
- instructions with each activity
- Math & Science Activity booklets for each family
